PREFACE

The Real Book is the answer to the fake book. It is an alternative to the plethora of poorly designed, illegible, inaccurate, badly edited volumes which abound on the market today. The Real Book is extremely accurate, neat, and is designed, above all, for practical use. Every effort has been made to make it enjoyable to perform. Here are some of the primary features:

1. FORMAT

- a. The book is professionally copied and meticulously checked for accuracy in melody, harmony, and rhythms.
- b. Form within each tune, including both phrases and larger sections, is clearly delineated and placed in obvious visual arrangement.
- c. All two-page tunes open to face one another.
- d. Many popular songs remain true to their original harmonies with little or no reharmonization. Jazz interpretations of other songs, including traditional Christmas carols, are also included.
- e. A variety of recordings and alternate editions were consulted to create the most accurate and user-friendly representations of these songs.

2. SOURCE REFERENCE

- a. The composer(s) of every tune is listed.
- b. Every song presented in The Real Book is now fully licensed for use.

 I heard the bells on Christmas day, their

 words re-peat of peace on earth, good will to men. I

 thought, as now this day had come, the bell-fries of all
 pealed the bells more loud and deep, "God is not dead, nor
 Chris-ten-dom had rung so long the un-bro-ken song of
 doth He sleep. The wrong shall fail, the right pre-vail, with
 peace on earth, good will to men. And peace on earth, good

Additional Lyrics

2. Mister Santa, dear old Saint Nick,
 Be awful careful and please don't get sick.
 Put on your coat when breezes are blowin'
 And when you cross the street look where you're goin'.
 Santa, we (I) love you so,
 We (I) hope you never get lost in the snow.
 Take your time when you unpack,
 Mister Santa, don't hurry back.
3. Mister Santa, we've been so good,
 We've washed the dishes and done what we should.
 Made up the beds and scrubbed up our toesies,
 We've used a Kleenex when we've blown our nosesies.
 Santa, look at our ears, they're clean as whistles,
 We're sharper than shears.
 Now we've put you on the spot,
 Mister Santa, bring us a lot.

Additional Lyrics

2. When out on the lawn there arose such a clatter,
I sprang from my bed to see what was the matter.
Away to the window I flew like a flash,
Tore open the shutters and threw up the sash.
The moon on the breast of the new-fallen snow
Gave a lustre of midday to objects below;
When what to my wondering eyes should appear
But a miniature sleigh and eight tiny reindeer.
3. With a little old driver, so lively and quick,
I knew in a moment it must be St. Nick.
More rapid than eagles his coursers they came,
And he whistled, and shouted, and called them by name:
"Now, Dasher! Now, Dancer! Now, Prancer! Now, Vixen!
On, Comet! On, Cupid! Oh, Donner and Blitzen!
To the top of the porch, to the top of the wall!
Now dash away, dash away, dash away all!"
4. As dry leaves that before the wild hurricane fly,
When they meet with an obstacle, mount to the sky,
So up to the house-top the coursers they flew,
With the sleigh full of toys, and St. Nicholas, too.
And then in a twinkling I heard on the roof
The prancing and pawing of each little hoof.
As I drew in my head and was turning around,
Down the chimney St. Nicholas came with a bound.
5. He was dressed all in fur from his head to his foot,
And his clothes were all tarnished with ashes and soot.
A bundle of toys he had flung on his back,
And he looked like a peddler just opening his pack.
His eyes, how they twinkled! His dimples, how merry!
His cheeks were like roses, his nose like a cherry.
His droll little mouth was drawn up like a bow,
And the beard of his chin was as white as the snow.
6. The stump of a pipe he held tight in his teeth,
And the smoke, it encircled his head like a wreath.
He had a broad face, and a round little belly
That shook, when he laughed, like a bowl full of jelly.
He was chubby and plump, a right jolly old elf,
And I laughed when I saw him, in spite of myself.
A wink of his eye, and a twist of his head,
Soon gave me to know I had nothing to dread.
7. He spoke not a word, but went straight to his work
And filled all the stockings, then turned with a jerk.
And laying his finger aside of his nose,
And giving a nod, up the chimney he rose.
He sprang to his sleigh, to his team gave a whistle,
And away they all flew like the down of a thistle.
But I heard him exclaim, ere he drove out of sight,
"Happy Christmas to all, and to all a good night!"
